

**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF TEXAS  
SHERMAN DIVISION**

The State of Texas, et al.,

Plaintiffs,

v.

Google LLC,

Defendants.

Case No. 4:20-cv-00957-SDJ

Hon. Sean D. Jordan

Special Master: David T. Moran

**[PROPOSED] ORDER AMENDING ORDER  
APPOINTING SPECIAL MASTER (Dkt. 213)**

On January 26, 2024, the Court appointed Mr. David T. Moran to serve as Special Master and he has faithfully carried out the duties assigned to him. At the January 29, 2025 status conference, the States proposed expanding Special Master Moran's duties to include pretrial matters. The States followed that suggestion with a Motion to Amend Order Appointing Special Master. Pursuant to Federal Rule of Civil Procedure 53(b)(4), Google was provided a chance to be heard on whether expanding Special Master Moran's duties is appropriate. The Court has carefully considered the parties' filings and finds that given the expected volume and complexity of the remaining pretrial issues, they "cannot be effectively and timely addressed by an available district judge or magistrate judge of the district." Fed. R. Civ. P. 53(a)(1)(C).

IT IS THEREFORE ORDERED that the Order Appointing Special Master (Dkt. 213) is AMENDED as follows:

Section III.A. is amended by

1. Striking the word "and" after "discovery conferences and motions;" in paragraph iv;
2. Striking the period after "may be entered by the Court" and inserting in its place a semicolon in paragraph v;

3. Inserting the following after “may be entered by the Court;” in paragraph v:
  - “vi. rule on objections to deposition designations;
  - vii. rule on the reliability of summary exhibits;
  - viii. rule on any objections to the admissibility of exhibits; and
  - ix. rule on other pre-trial issues or disputes relating to the parties’ witness and exhibit lists, such as whether materials that may be confidential may be shown.”; and
4. Striking the phrase “14 days” and inserting in its place “7 days” in the paragraph beginning “Pursuant to Rule 53(f)(2).”

IT IS SO ORDERED.
